CONDITIONS OF THE GRADING PERMIT

1. Contractor must comply with all state and local traffic laws, O.S.H.A. regulations, and other applicable safety codes. **Contractor assumes all related liability.**
2. Contractor shall be responsible for the relocation / replacement of trees and for existing ground cover disturbed. **Contractor is responsible for obtaining a Tree Permit if required.** Contact the Fate Planning Department at (972) 771-4601 for guidelines.

3. All projects shall include erosion control.
4. Contractor shall notify the Fate Public Works Department at (972) 771-4601 at least 24 hours prior to construction. In case of emergency after normal working hours, notify the Fate Police Department at (972) 771-4601.
5. All construction shall comply with City of Fate Construction Standards.
6. This permit and accompanying construction plans shall remain at the job site at all times.
7. Construction may not be performed before 7 a.m. nor after 7 p.m. Monday through Saturday. No Saturday paving is allowed. No Sunday construction is allowed.
8. Additional permits will be withheld pending final inspection of previous construction permits.
9. **Allow five working days to complete permit.**
10. All excavation within City right-of-way requires mechanical compaction equal to adjacent undisturbed materials. Compaction testing may be required at the discretion of the Public Works Department.
11. No digging will be allowed within one foot behind curbs or edges of pavement.
12. Call the Fate Public Works Department at (972) 771-4601 for locates. No line locates will be provided without an approved permit.
