

**CITY OF FATE, TEXAS  
TAX ABATEMENT GUIDELINES AND CRITERIA**

**I. GENERAL PURPOSE AND OBJECTIVES**

The City of Fate, Texas (hereinafter referred to as the “City”), is committed to the promotion of high-quality development in all parts of the City, and to an ongoing improvement in the quality of life for its citizens. Insofar as these objectives are generally served by the enhancement of the tax base and expansion and diversification of the local economy, the City will, on a case-by-case basis, consider providing tax abatement, pursuant to the Texas Property Redevelopment and Tax Abatement Act, defined herein, as a stimulus for economic growth and diversification in the City. Proposed abatement agreements will be considered in accordance with the guidelines, criteria, and procedures outlined in this document. Nothing herein shall suggest or imply that the City is under any obligation to provide tax abatement for any amount or value to any applicant.

According to Texas law, the Property Redevelopment and Tax Abatement Act, Chapter 312 of the Texas Tax Code, as amended, the City may grant a tax abatement on the incremental value of a particular property that is improved pursuant to a specific development proposal, which meets the economic goals and objectives of the City. The abatement will apply only to the incremental increase in valuation. The abatement also may apply to tangible personal property located in the reinvestment zone after the execution of an abatement agreement and may include inventory and supplies.
